Rent review

**A specialist property
advisor dedicated to the
motor retail sector**

Automotive Property Consultancy (APC) commenced trading in October 2005 and its reputation, client base and business have grown steadily ever since.

The company's focus on the franchised dealer market has enabled it to build on its sector knowledge and provide clients with a comprehensive and unrivalled motor retail property service, including:

- Sale and Purchase of dealership land and property for motor retail and alternative use purposes
- Development and Investment advice
- Professional Services covering valuation, rent review, lease renewal and Landlord & Tenant matters
- Property Management and Rating
- Building, Project Management and Planning advice through consultancy arrangements

We aim to provide clients with the best property service in the motor retail sector. Our results and client list speak for themselves.....

Clients include:

Axa	Lightstone Properties
BP	Lookers
Cambria Automobiles	Nissan
CBRE Investors	Perrys
